CLIENT AGREEMENT

Under the terms of a public offer (hereinafter referred to as the "Agreement"), QuoMarkets is the trading name of TRADEQUOMARKETS LTD (2023/C0024), operating under License no: 2023/C0010-0001. Located at #8 Jepson Lane, St. George, Goodwill, DOMINICA. With a commitment to transparency, security, and excellence, we strive to provide our clients with a seamless trading experience backed by reliable infrastructure and regulatory compliance. (hereinafter referred to as the Company);

Trade Quo Global Ltd is a limited company incorporated and registered under the laws of Seychelles, with Company number 8430709-1 and a registered address at CT House, Office 9A, Providence, Mahe, Seychelles. Trade Quo Global Ltd is authorized and regulated by the Financial Services Authority in Seychelles ("FSA") under license number SD140 for the provision of the investment services specified in this Client Service Agreement (hereafter the "Licensed Company"). and

TQBG Ltd, registered in Cyprus with registration number HE438084, registered address Archiespiskopou Makariou III 160 1st floor, 3026, Limassol, Cyprus and operational address at Paralos Building, Griva Digeni 137, 3101 Limassol, Cyprus is an Appointed Independent Representative to the Company and the Licensed Company.

The Company, the Licensed Company and the Appointed Independent Representative are all part of the same group of companies. They shall be collectively referred to as – "the Companies".

The Client is requested to read the Agreement and make sure it understands the following terms prior accepting the Agreement and use the Companies services.

Collectively referred to as the Parties, have concluded this Agreement:

1. GENERAL PROVISIONS

1.1. This Client Agreement and its Addendum thereto as well as any information set forth on the website www.quomarkets.com (hereinafter "the Website") , determine conditions of rendering by the Companies of services to the Client regarding trade operations in the international exchange market (FOREX) and contracts for difference (CFDs), including all accompanying services and non-trading operations as well as rights and obligations of the Parties arising in connection to the procedure of rendering and execution of such services.

1.2. Services of the Company & Licensed Company hereunder are as follows:

- a. Authorising the opening and maintaining Personal Area and trading account(s) of the Client;
- b. providing the Client with access to trading platform allowing to obtain information and quotes from the Company & Licensed Company, and to perform trade operations;

- c. executing trading and non-trading orders of the Client. Trading and non-trading orders execution leads to funds amount change on Client's account;
- d. providing information and consulting services (training sessions and training materials, analytical articles and research, investment and financial advisory services, technical support, etc.).

Service shall be considered rendered, if Personal Area of the Client has been registered or any trade or non-trading operation has been processed, including funds crediting to the Client's account.

1.3 Notwithstanding the above, the Company & Licensed Company, who conduct regulated activities on behalf of the group, may outsource some functions to TQBG Ltd, which is an Appointed Independent Representative of the Licensed Company and the Company, for the provision of support functions through an Appointed Independent Representative Distribution Service Level Agreement.

TQBG Ltd may also serve as a payment processor on behalf of the Company and execute agreements with third parties for the purpose of processing or facilitating transactions on behalf of the Company and the Licensed Company. For this purpose, the Company may also share information with the affiliated entity or any other company in the same group of the Companies in the event such information is reasonably required in order to provide the products or services to its clients.

1.4. To receive services the Client is to complete Personal Area registration procedure on the Website: fill in registration form and accept this Agreement. Acceptance of the present Agreement by the Client shall mean that the Client have thoroughly read it, fully understood and agreed with all terms and conditions thereof.

1.5. The Client agrees that the Company and the Licensed Company has the right to unilaterally amend, add, rename or leave without changes any services rendered under the present Agreement with the notification of the Client within the period and under the conditions provided herein. Any amendments, additions, renaming of the services shall take effect immediately after notification of the Client in accordance with the procedure set forth in Section 3 herein.

1.6. The Client confirms that the present Agreement applies to the services that may be changed, added or renamed in future in addition to those services that are rendered to the Client at the moment of registration and opening of trading account.

1.7. All financial instruments, transactions to which are performed by the Client in accordance with the terms of the present Agreement, are for settlement. Physical transfer of currency or underlying assets (assets in the basis of the contract) does not take place during contract execution.

1.8. With respect to the Client's trading operations, the Company and the Licensed Company execute orders, as well as performs transactions contained herein, without providing trust management and without giving recommendations. Information or research materials published on the Website, or services provided to the Client in any other way, including through the trade copier services, as well as the private opinion or advice of any

third party, do not constitute recommendations for any possible trade solutions. The Client is fully liable for all trading operations on his trading account and for his investment decisions.

2. PROCEDURE OF OPENING OF TRADING ACCOUNT

2.1. In order to open trading account the Client shall take registration procedure on Website – fill out registration form for opening of trading account and accept this Agreement.

2.2. When undergoing registration procedure, the Client may select one of several available types of trading accounts offered. Specific conditions and peculiarities of service rendering for each type of trading accounts offered are available on the Website and are the integral part of the present Agreement.

2.3. A person who has filled out registration form for opening of trading account shall be deemed individual whose data is specified in such registration form. The Companies do not assume any responsibilities for invalidity and/or unauthenticity of the information provided by the Client during opening of the trading account. The Client assumes responsibility for authenticity and validity of the data provided to the Appointed Independent Representative, as well as for any potential consequences resulting from its invalidity and/or unauthenticity.

2.4. After filling out registration form, confirmation of registration data of the Client and accepting of the present Agreement a trading account will be opened for the Client, and corresponding codes (login and password) are generated and presented to the Client that provide the Client with access to the personal account and Client's terminal. Access codes (login and password) are used for Client identification during performance of transactions and management of trading account and funds on it. Login is provided once and cannot be changed in future. Password can be changed at any time at the request of either Party. Changing of the password by the Client him/herself can be performed at any time and does not require notification to the Appointed Independent Representative. When password is changed on the initiative of the Appointed Independent Representative corresponding notice is sent to the Client's email address, set forth by the Client as a contact email.

2.5. The Client can open and manage account in USD, EUR or THB at the Client's discretion. Account can also be opened in other currencies. The Client can find out the list of available currencies on the Website or by contacting the the Appointed Independent Representative's Client support service.

2.6. The Client gets automatically generated Phone Password (code word) after trading account registration. This password is used for identification of the Client when the Client orders trading operations execution via phone or requests information about trading account balance via phone.

2.7. To confirm request on operation of fund withdrawal from the Client's account an SMS message with dynamic password will be generated and sent to the Client's mobile phone, that was previously indicated by the Client in the registration form. All requests to withdraw funds from the Client's account, that are not confirmed by a dynamic password, will be automatically rejected.

2.8. The Client assumes complete responsibility for confidentiality of the credentials of his/her trading account, as well as for any trading and non-trading transactions on the account performed by a person duly authorized within trading platform, on Website or server of the Companies using credentials of the Client's trading account. All messages transferred to the Companies by a person duly authorized within trading platform, on Website or server of the Companies using credentials of the Client's trading account shall be deemed issued directly by the Client.

2.9. In case of loss of password by the Client the Appointed Independent Representative has the right to change existing password at the Client's request. List of the documents needed for Client's identification is determined by the Companies.

3. INFORMATION EXCHANGE

3.1. Labor Hours of the Companies: around the clock from 00:00 Monday to 24:00 Friday EET (Eastern European Time: GMT+2 winter time, GMT+3 summer time).

3.2. Labor off Hours of the Companies: from 00:00 Saturday to 24:00 Sunday EET (Eastern European Time: GMT+2 winter time, GMT+3 summer time). In addition, the Companies non-working time include the days of international holidays, entailing the closure of financial markets and stopping the trade of financial instruments, provided in the trading platform. 3.3. The Companies can use following media for communication with the Client:

- a. email;
- b. internal mail of trading platform;
- c. facsimile communication;
- d. phone;
- e. mail;
- f. announcements on the Website

3.4. The Companies shall use for communication with the Client only those details provided by the Client when opening trading account or changed by the Client later in accordance with the established procedure. Correspondence and information sent by the Companies to the particulars set forth by the Client shall be deemed duly sent and the Client does not have the right to refer to invalidity or change of such particulars if the Appointed Independent Representative has not been notified by the Client beforehand and contact information has been changed inappropriately.

3.5. Any correspondence and information (documents, announcements, notifications, confirmations, requests, reports, messages, etc.) shall be deemed received by the Client:

- a. immediately after its sending to the Client's e-mail;
- b. immediately after its sending via internal mail of trading platform;
- c. immediately after its sending via fax;
- d. upon the ending of the phone call;
- e. after 7 calendar days from the date of mailing;
- f. one hour after publication of an announcement on the Website -
- g. one hour after publication of announcement in Personal Area.

3.6. Correspondence and information sent by any of the Companies to the particulars specified by the Client, namely to Client's e-mail; specified fax; mail address; via internal mail of trading platform; or publication of the information on the website shall be sufficient written notification.

3.7. The Client agrees that the Companies have the right to delete messages that are not received by the Client via internal mail of client terminal after three calendar days from the date of sending of such messages.

3.8. The Client agrees that the Companies have the right to keep record of oral and phone negotiations with the Client. Such records shall be the Companies property and can be published as evidence of requests and instructions issued by the Client, and other facts of interaction between the Companies and the Client, furthermore, records are used for improvement of Client experience.

4. RIGHTS AND LIABILITIES OF PARTIES

4.1. Client has a right:

- a. Contact Companies or an authorized provider of services of the third party and receive from them quotations and the information with the purpose of making trading transactions in financial markets.
- b. Conduct trading transactions in financial markets with the help of the trading platforms (software) provided.
- c. Request and obtain from Appointed Independent Representative any information related to current status of his/her account on the first demand provided that there are technical facilities for communication between Companies and Client.
- d. At any time to dispose with free money funds on his/her account (with the deduction of credit funds), upon that, this amount shall not exceed balance.

- e. Send Company & Licensed Company his/her instructions (requests and orders) on trading transactions in financial markets solely with the help of client terminal or over the phone.

4.2. Client guarantees that:

- a. He/she has a full legal capacity.
- b. He/she has attained majority.
- c. He/she has essential authorities to conduct current Agreement, send requests and orders as well as to fulfill their liabilities under the present Agreement.
- d. Conclusion of the present Agreement by Client and making (non) trading transactions including other actions under the present Agreement shall not violate any law, regulation and rules applied to Client or under the jurisdiction of Client's residency. Breach of the present term of the Agreement by Client does not imply any responsibility of Company as well as for the actions arising hereof.
- e. Entire information provided by Client under the present Agreement is veracious, accurate and full in all aspects.
- f. He/she fully undertakes liabilities and responsibility for all possible consequences which may result from his/her actions under the present Agreement.
- g. Client shall be a sole authorized user of Companies services under a trading account, shall be fully responsible for confidentiality and safety of access details.
- h. Client will not use two or more affiliated accounts in the Company & Licensed Company registered for other people.
- i. He won't use two or more trading accounts in the Company & Licensed Company to open opposite directed trades on the same trading instruments.
- j. Client confirms non-criminal origin, lawful possession and right for the funds debited to trading account in Company & Licensed Company.
- k. Trading systems used by the Clients do not aim at using possible software vulnerabilities.
- l. Client's actions are not aimed at gaining unjustified profit by inflicting loss to the Company & Licensed Company, including by using found vulnerabilities, errors and problems of trading platform or Companies resources.
- m. Client will not use trading strategies that are not economically viable without usage of Company & Licensed Company's promotions and services including Company & Licensed Company's partner program.
- n. He won't use trading strategies, which can lead to the risk of funds losses, exceeding trading account balance.

4.3. Client shall:

- a. comply with the terms and fulfill liabilities provided by the present Agreement, Appendixes hereto and in information published on the Website and specified in this Agreement and Appendixes hereto.
- b. pay for Company & Licensed Company's services totally and timely.
- c. provide the Appointed Independent Representative with actual identification information and data, and immediately inform the Appointed Independent Representative on any changes thereof. The Client shall be responsible for any consequences regarding failure to notify the Appointed Independent Representative about changes of identification information and data.
- d. avoid disclosure of credentials and other information used for Client's identification for performance of trading transactions and management of trading account and its funds to any third parties.
- e. in the event there is a negative balance on his trading account, Client is entitled to depositing his own funds to bring account to zero within 10 (ten) calendar days on Company & Licensed Company's requirement.
- f. immediately inform the Appointed Independent Representative about vulnerabilities, errors and problems in trading platform or on resources.

4.4. Appointed Independent Representative has the right to:

- a. request a proper fulfillment of the terms hereunder by Client.
- b. request from Client provision of data and information required and sufficient for appropriate identification of the Client when opening trading account and performing trading and non-trading transactions by the Client.
- c. in case of improper execution by Client of his/her obligations hereunder terminate this Agreement unilaterally and deny access of the Client to the services, provided in accordance with the present Agreement.
- d. in order to prevent fraud, money laundering and other conflict situations Appointed Independent Representative has the right to demand Client's identification at any time. Client's identification shall be performed in accordance with the procedure set forth in Section 6 herein.
- e. Disable accounts of the Client if he connects to the trading server using software of third parties not listed on the website.
- f. Suspend the service or reject providing the service to the Client without giving reason therefor.

4.5. Companies shall:

- a. Provide Client with capability to perform trading and non-trading transactions in exchange markets under the terms and in accordance with procedures provided herein.
- b. Provide services in accordance with the terms of the present Agreement in quality manner.
- c. Timely and properly fulfill its obligations hereunder.
- d. Take all necessary measures to maintain confidentiality of the information retrieved from the Client.

5. NON-TRADING OPERATIONS

5.1. In order to provide the possibility to perform trading transaction the Client shall on his own fund his trading account through the transfer of his own money to the Companies accounts to the bank details, specified in the personal account. The account can also be credited using all other methods set forth on the Website and available to the Client from his/her personal account.

5.2. The Client acknowledges and agrees that the Company & Licensed Company will not pay the Client any interest for money deposited on his/her trading account, unless otherwise provided by additional marketing activities and services as presented in the Website.

5.3. Withdrawal of available funds from the trading account (excluding credit funds and not exceeding the account balance) can be done by the Client at any moment at his/her discretion excluding the cases set forth herein and in appendixes hereto.

5.4. Account funding as well as withdrawal of funds from the account can be made in USD, EUR and other currencies, list of which the Client can get in the Client Area and by contacting Customer Support Service.

5.5. When funding trading account with currency other than the currency of trading account, the credited money is converted into the currency at the internal exchange rate of the Company & Licensed Company. Internal exchange rates of the Company & Licensed Company are set at the discretion of the Company & Licensed Company depending on market situation, market volatility and other external and internal factors, any references to exchange rates in other sources are unauthorized. Up-to-date internal exchange rates of the Company & Licensed Company are published in the Client Area.

5.6. Terms and procedure of funds transfer.

5.6.1. When making operation of funding account, the sender's data has to completely match with the Client's data mentioned in the Client Area. In case of revealing the fact of funds transfer from third parties, the Company & Licensed Company has the right, but is not obliged to:

- refuse to credit funds;

- block fully or partially the Client's access to the services;
- cancel transactions made on the Client's accounts;
- forcibly return to the sender's details the balance from the Client's account, but not more than the amount of the net receipt of funds (the sum of all Client's deposits minus the sum of all the Client's withdrawals);
- withhold all costs for the transfers' refund from third parties.

5.6.2. Funds from the trading account should be withdrawn in the same way and in the same currency to the bank account or electronic payment system with which the deposit was made in a proportional amount. When withdrawing funds, the beneficiary's data should exactly agree with the Client's data in the Client area and completely match with the Client's identity documents.

5.6.3. Depending on the deposit methods used by the Client, the Company & Licensed Company has the right to:

- determine at its own discretion by what method and in what currency the Client can withdraw funds;
- reject a withdrawal request indicating in the comment by which payment system and in what currency the Client can create a request to withdraw funds from the trading account;
- request documents for verification of a withdrawal method proposed by the Company & Licensed Company to the Client and (or) to fund a Client's trading account by using the mentioned method.

5.7. Crediting of funds to the trading account of the Client shall be performed by the Company & Licensed Company within one working day from the date of receipt of the money on Company & Licensed Company's accounts or from the date of receipt of order for money transfer between the accounts within the Company & Licensed Company.

5.8. The Client can perform funds transfer from his/her trading account to another trading account that belongs to him/her within the Company & Licensed Company. Company & Licensed Company reserve the right to prohibit internal transfers between Client's accounts at its sole discretion.

5.9. In case if trading accounts, between which funds are transferred, are handled in different currencies, then currency conversion during the transfer is performed at the internal exchange rates of the Company & Licensed Company; information on the current state of such exchange rates is available on the Website and in the Customer Support Service provided by the Appointed Independent Representative.

5.10. Withdrawal of funds from the trading account that has open positions can be only performed within the limits of free margin on the account (excluding credit funds and not more than the account balance at the moment of order). If the amount of money withdrawn by the client (including fees, charges and other expenses) exceeds the amount of free

margin of the trading account, then the Company & Licensed Company reserves the right to decline such an order.

5.11. If Client has open positions involving the instruments on which trading sessions are closed by the moment of handling of the Instruction on withdrawal of money funds, the Company & Licensed Company has the right to fully or partly reject such a withdrawal until required trading sessions are opened.

5.12. All withdrawal requests must be confirmed by dynamic password sent in SMS message to the phone number of the Client given in the Client Area. For safety reasons the Appointed Independent Representative has the right to contact the Client by given telephone number for verbal confirmation of withdrawal request.

5.13. All requests for funds withdrawals from the trading account of the Client shall be performed by the Companies within the shortest reasonable time.

5.14. All charges and fees connected to the transfer of money and calculations performed by the Parties are paid at the expense of the Client.

5.15. The Client agrees that in case of any failures of the software there may be delays of money crediting to the Client's trading account. The Company & Licensed Company can perform manual crediting of money to Client's trading account in case of discovering of any failure of software that resulted in delays of automatic money crediting provided that the Client informed helpdesk staff about such delay.

5.16. The Client transfers money to the trading account in order to deposit it or to maintain open position at his/her own discretion. The Company & Licensed Company does not send any requests to the Client for maintenance of required margin level.

5.17. The Company & Licensed Company reserves the right to set limits for minimum and maximum amounts of crediting and withdrawal operations differentiated based on the method of crediting/withdrawal.

5.18. In any cases when the Companies has the right to get commission or other fees from the Client for the provided services in accordance with the terms of the present Agreement, as well as the cases when the Client shall indemnify any expenses incurred by the Companies, corresponding amount will be deducted by the Company & Licensed Company from the trading account of the Client without further authorization.

5.19. The Companies are not obliged to disclose or provide information to the Client about fees or other remuneration, and other expenses incurred by the Companies from the trading or non-trading transaction of the Client.

5.20. The Company & Licensed Company has the right to fully deduct from the Client's account (bonuses, payments, remunerations, prizes, credit funds) credited within the framework of promotions and offers of the Company, if there were no trading operations on the account within 30 calendar days.

5.21. The Company & Licensed Company has the right to refuse crediting or to remove from Client's account remunerations (payments) on promotions and services at its own discretion

without explanation. In particular, if the Client uses trading strategies that are not economically viable without usage of Company & Licensed Company's promotions and services including Company & Licensed Company's partner program.

5.22. The Company & Licensed Company has the right to fully deduct from the Client's account credit funds (non-withdrawable bonuses, etc.) in case of funds withdrawal from the account, including funds transfer to another account.

6. PROOF OF IDENTITY OF THE CLIENT AND POLICY OF MONEY LAUNDERING PREVENTION

6.1. The "laundering proceeds of crime" (money laundering) in the context of this Agreement shall mean the action aimed at conversion of money and other tangible assets acquired from illegitimate activities (terrorism, drug dealing, illegal arms trade, corruption, human trafficking and others) into the money or investments, origin of which seems legitimate.

6.2. In order to prevent laundering proceeds of crime (money laundering) the Appointed Independent Representative reserves the right to apply means of internal control and programs for its implementation, and render assistance for international organizations for terrorism financing management.

6.2.1. The Appointed Independent Representative documents and checks identification data of the Client, and keeps and traces detailed reports on all the transactions performed by the Client.

6.2.2. The Appointed Independent Representative keeps track of all and any operations of the Clients that may have signs of illegal activity aimed at laundering proceeds of crime, and all operations that were performed under unusual conditions.

6.2.3. The Company & Licensed Company does not accept cash as a deposit and does not pay cash under any circumstances.

6.2.4. The Company & Licensed Company may refuse processing of operation at any point in case it has sufficient grounds to believe that such operation is somehow related to illegal activities.

6.3. The Client acknowledges that the identification data and information specified by him/her during trading account opening can be used by the Appointed Independent Representative under the program of prevention of money laundering.

6.4. According to international legislation the Appointed Independent Representative is not obliged to inform the Client about the fact that the corresponding body is notified about the Client's suspicious activities.

6.5. The Client agrees that in case the Appointed Independent Representative has the reason to think that the trading account of the Client is used for money laundering, or that the owner of the account hides and provides misleading identification information and data, as well as in case there is a reason to believe that the transactions on the trading account of the Client have been performed with violation of the present Agreement, the Companies

reserves the right to suspend all operations on the Client's trading account in order to conduct all necessary checks (registration data check, identification of the Client, checking of history of non-trading operations and transferring of funds, etc.) until complete explanation of circumstances.

6.6. To comply with recommendations on anti- money laundering, during registration of a trading account by Client and any trading and non -trading transactions, Appointed Independent Representative has the right to require that submission by Client of two identity and registration proof documents. Moreover, the Appointed Independent Representative has the right to require Client to submit following documents:

- Photo ID (photo of the Client holding identification document);
- Photocopy of the front of the card used for account funding or that will be used for withdrawals;
- Bank statement clearly indicating the holder of bank card used for account funding or that will be used for withdrawals;
- Photo of the Client on the background of the opened account of electronic payment system;
- Photocopy of any other identification document;
- Photocopy of utility bill issued within the last 3 months;
- Notarized copy of any document mentioned above, contact details of a public notary;
- Other required documents.

Above-mentioned documents are provided in the form of an electronic copy either a notarized copy required by at the discretion of Appointed Independent Representative.

6.7. It is preferable to provide documents of international sample in English. If documents are provided not in English, the Appointed Independent Representative has the right to request translation. The documents should be translated in English, printed and signed by a professional translator and provided to the Appointed Independent Representative with copies of original documents.

6.8. The Client should provide documents requested by the Appointed Independent Representative within fifteen working days of receipt of the relevant request, as well as meet the following requirements:

- photos must be of high quality, color, clear and focused;
- the document text must be easily legible, there should be no shadows and highlights that can complicate the information perception;
- the requested document on the image should be presented in full, including lamination corners or edges, as well as the back side (if it contains your data and not empty);

- graphic editors cannot be used to correct and process images;
- PhotoID (your photo with an identity document you hold) clearly shows your face and it takes up at least 30% of the photo area;
- proof of address (utilities bill, bank statement, etc.) must be no more than three months old.

Photos taken before the request or sent not from the Client's e-mail may be rejected by the Company.

6.9. The Appointed Independent Representative has the right to suspend non-trading operations on the Client's account including withdrawal operations until the receipt of the documents requested for the purpose of Client identification.

6.10. In case of failure to submit the documents within the 15 calendar days from the moment of request, Appointed Independent Representative has the right to suspend all trading and non-trading transactions on the Client's account, unilaterally close all open positions at the current market prices and freeze all the assets on the trading account of the Client.

6.11. In case of failure to provide documents within 30 calendar days from the moment of request, this Agreement is considered terminated, and the Company and the Licensed Company have the right to close opened trades of the Client at current market price, block access to the Client Area, block funds, cancel operations and trades on the accounts of the Client and archive account irreversibly.

6.12. The Client is responsible for the authenticity of the submitted documents (its copies) and recognizes the right of the Companies, in the event of doubt as to their authenticity, contact the law enforcement authorities of the country of the document issuer to verify the authenticity of the documents. Upon detection of forgery fact or editing of the identification image in graphical editor this Agreement is considered terminated, and the Appointed Independent Representative reserves the right to attract the Client to account in accordance with the laws of the country of issuer. When the Agreement is terminated in accordance with this paragraph, the Company and the Licensed Company has the right to close opened positions of the Client at current market price, block access to the Client Area, block funds, cancel operations and trades on the Client's accounts and archive the accounts irreversibly.

7. CONFIDENTIALITY

7.1. All information submitted by the Client when opening the account and in the course of further interrelations with the Companies, as well as information about credentials, provided to the Client for operation, is completely confidential, unless in this Agreement and its Annexes indicated otherwise, and each Party is responsible for confidentiality and use of such information.

7.2. In the event of the Client making a claim against the Companies via publicly available resources, the Companies reserves the right to disclose obtained information about the Client to fully and objectively review the situation.

8. RESPONSIBILITIES OF THE PARTIES

8.1. Responsibility of the Companies:

8.1.1. In case of violation by the Companies of terms hereunder due to circumstances the Companies are responsible for which resulted in actual damage to the Client, the Client has the right to claim indemnification of actual damage.

8.1.2. The Companies do not recompense short-received profit of the Client including the cases, when the Client had an intention to perform some action but did not perform it due to some reason. The Companies do not indemnify any indirect losses and moral damage.

8.2. Responsibility of the Client.

8.2.1. The Client assumes total responsibility for all the actions performed by the Client in accordance with the present Agreement.

8.2.2. The Client shall bear sole responsibility for any actions resulting from the use of access codes of Client's trading account.

8.2.3. In case of violation by the Client of the terms hereunder, responsibility for which is not provided herein, as well as in case of any damage made by the Client to the Companies, the Companies have the right to write off without further authorization from the Client's account the amount of money sufficient for indemnification of the damage, and in case of insufficiency of the amount of money on the Client's accounts for indemnification of the damage made, demand lacking money to be credited by the Client to his/her account for indemnification of the damage.

8.2.4. The request of the Companies for the crediting of lacking money for full indemnification of damage shall be satisfied by the Client within 10 (ten) working days.

8.3. Violation of the provisions of the present Agreement by the Client committed within validity term of the Agreement shall be accepted by the Companies for settlement irrespective of the prescription of its commitment, and for that reason the Companies have the right to make claims to the Client within any timeframe.

8.4. The Client accepts and agrees to bear the full risk associated with the termination or suspension of any of electronic payment systems used by the Client. In such cases, the Companies have the right to block the withdrawal of funds from the Client's trading account, to the extent in which this payment system was used to deposit funds within the last six months. The time of blocking of funds is limited to six months or terminates automatically after the resuming of work of the electronic payment system.

8.5. The Parties assume responsibilities in accordance with the present Agreement and other applicable regulation for failure to fulfill and/or for default in performance of the obligation under this Agreement.

9. FORCE-MAJEURE

9.1. The Companies shall not be held liable for failure to fulfill and/or for default in performance of the terms and conditions hereunder if such failure and/or default resulted from force-majeure circumstances; that is, such circumstances that the Parties were not able to reasonably prevent or foresee. Such circumstances include, but not limited to: earthquakes, floods, tsunamis, other acts of God, industrial disasters, epidemics and epizootics, terrorist acts, riots, acts and actions of governmental authorities, embargoes, wars and military conflicts, or other circumstances occurring against the will of the Parties and usually referred to as force-majeure.

9.2. Circumstances that eliminate liability (force-majeure circumstances), in accordance with this Agreement, also include illegal actions against the Companies, its employees and/or property, including hacker attacks and other illegitimate actions in regards to Companies servers.

9.3. In accordance with the present Agreement force-majeure circumstances also include suspending of operation, liquidation or shutting down of some market, or absence of some event, on which the And Licensed Company bases quotes, or implementation of limitations or special and unusual trading conditions in any market or in respect to any such event.

9.4. In case of occurrence of circumstances eliminating liabilities (force-majeure) the Company and Licensed Company has the right to perform any or several following actions without prior notification of the Client:

- a. Increase marginal requirement;
- b. Close any or all open positions of the Client at the price that the and Licensed Company shall reasonably consider fair;
- c. Suspend and/or change implementation of one and/or several provisions of the present Agreement and Appendixes hereto for the period of such force-majeure;
- d. Perform any other actions (or abstain from performance of any actions) in regards to the Companies, Client and other clients, the Companies consider it to be reasonable under such circumstances.

9.5. The Party, for which failure to fulfill or default in performance of the terms hereunder was caused by force-majeure circumstances, shall inform the other Party about such circumstances within thirty calendar days from the date of the occurrence thereof.

9.6. The Party that fails to inform the contractor about the occurrence of such force-majeure circumstances does not have the right to refer to such circumstances as force-majeure.

10. PROCEDURE OF DISPUTE SETTLEMENT

10.1. Possible disputes and contradictions that arise from the execution of the present Agreement subject to settlement through the negotiations between the Parties.

10.2. In case of any dispute the Client who considers his/her interests to be violated, shall submit a claim to the Appointed Independent Representative

10.3. Deadline for a claim:

10.3.1. The claim, submission of which is based on the relation of the Parties in regards to performance of trading transactions in exchange markets, shall be submitted by the Client within three working days from the date of appearance of ground for submission of such claim.

10.3.2. The claim, submission of which is connected with performance of non-trading operations and other reasons, shall be submitted by the Client within ten working days from the date of occurrence of the grounds for submission of such claim.

10.3.3. Failure to submit a claim by the Client within specified timeframe shall be deemed confirmation of the Client's agreement with Companies actions and absence of any disputes and controversies.

10.4. A claim submitted by the Client with violation of stated period shall not be considered by the Appointed Independent Representative.

10.5. The claim shall be executed by the Client in the form of e-mail and/or via ticket system in the personal account and sent to the official electronic addresses published on the Website. Claims submitted in other form (at public Internet resources, by phone, by fax or in any other way), shall not be considered.

10.6. The claim must have following content:

- a. Name and last name of the Client;
- b. Login for trading platform;
- c. Description of dispute.

10.7. The claim submitted on the ground of trading transactions in exchange markets shall include the following:

- a. Date and time of occurrence of dispute (trading platform time is used);
- b. Ticket (number) of disputable position or pending order;
- c. Regulatory document name and number of paragraphs, that was violated by the Companies according to the Client's opinion;
- d. What actions shall be taken to satisfy the claim according to the Client's opinion.

10.8. The claim shall not contain:

- a. Emotional evaluation of the dispute;

- b. Abusive statements in regards to the Companies and/or its employees;
- c. Swear words.

10.9. The Appointed Independent Representative has the right to decline a claim of the Client in case of failure to comply with the terms of execution and sending of such claim set forth in Procedure of dispute resolution section of this Agreement, and if the order under question was performed at the expense of the Companies or profit mainly generated with the help of the Companies funds.

10.10. The Appointed Independent Representative considers a claim and makes a decision regarding disputable situation within the shortest possible timeframe. In case of availability of all data required for claim consideration term of its consideration shall be:

10.10.1. for the claims based on the trading transactions in exchange markets – ten working days from the receipt.

10.10.2. for the claims regarding other issues – twenty calendar days from the date of receipt.

10.11. In case if the Appointed Independent Representative has to request additional data and/or documents from the Client for the purpose of consideration of a claim, the beginning date of claim consideration shall be the date of receipt of all requested data and/or documents by the Appointed Independent Representative from the Client.

10.12. Log file of the server shall be the main source of information during settlement of disputes regarding trading transactions of the Client in exchange markets. Information contained in log file of server supersedes any other arguments during settlement of dispute, including information contained in the log file of client terminal.

10.13. In case the claim is considered to be reasonable settlement shall be performed in the form of compensatory payment credited to the Client's trading account. The Company and Licensed Company does not indemnify short-received profit of the Client including the cases, when the Client intended to take some action, but failed to do so due to some reason. The Companies do not indemnify any indirect losses and moral damage.

10.14. In case of making a decision in favor of the Client on the disputable situation the Appointed Independent Representative shall credit compensatory payment to the trading account of the Client within one working day.

10.15. Peculiarities, specific conditions and possible ways of settlement of disputes regarding trading transactions performed by the Client are described in more details in respective sections of Regulations for performance of trading transactions, which is the Appendix to the present Agreement.

10.16. In case any dispute occurs that is not described herein and in appendixes hereto final decision on such claim shall be made by the Appointed Independent Representative based on common market practice, internal policies of the Company and relating to fair settlement

of disputes. The Company and Licensed Company can also use quotes from any other market maker for the comparative analysis of the quotes.

10.17. In case of failure to come to an agreement in the course of negotiations and/or disagreement of the Client with the decision made by the Appointed Independent Representative, the disputes subject to submission for consideration in the court of Cyprus in accordance with the established provision of law.

11. APPLICABLE LAW AND JURISDICTION

11.1 The present Agreement is executed and applied in accordance with the laws of the Republic of Cyprus. In case of any issues that are not provided for in this Agreement the Parties shall be guided by the applicable legal regulations of the Republic of Cyprus.

11.2. All disputes and controversies that cannot be settled through the negotiations between the Parties subject to submission to the court of competent jurisdiction of the Republic of Cyprus.

11.3. The Parties agree:

- a. That courts of the Republic of Cyprus have the right of exclusive jurisdiction concerning the present Agreement;
- b. That they refuse any protests regarding dispute settlement resulting from the present Agreement in the courts of the Republic of Cyprus.;
- c. Never to make claims grounded by the fact that such settlements are inconvenient in regards to their location or that they do not have legal force in regards to any Party.

12. AMENDMENT AND TERMINATION OF THE AGREEMENT

12.1. The present Agreement between the Companies and the Client becomes effective from the date of opening Personal Area by the Client and shall remain effective within the uncertain term.

12.2. The Companies have the right to unilaterally change and add this Agreement with the necessary notification of the Client about it. Any changes and additions hereto shall become effective on the following calendar day after notification the Client about it, unless otherwise is set forth within the content of such changes and additions or within the content of the notice thereof. Conduction of any trade or non-trading operation by the Client means unconditional acceptance of this Agreement by the Client.

12.3. Each Party has the right to refuse unilaterally performance of the present Agreement with the notification of other Party not less than fifteen calendar days prior to the supposed date.

12.4. In case the Client does not perform any transactions on his/her trading account within ninety or more consecutive calendar days, the Companies has the right to block such Client's account. Accounts blocked in this way shall be transferred to archive and the Client will not be able to authorize using credentials of such trading account against the trading platform. In order to unblock trading account the Client shall contact helpdesk of the the. Appointed Independent Representative within ten days after it has been blocked, after that the account will be unblocked within three working days. Trading accounts that have remained dormant within one hundred or more consecutive calendar days and having remains of funds under 10 (ten) USD or an equivalent in account currency can be removed by Company and Licensed Company without a possibility of recovery.

12.5. In case of breach by the Client of terms of the present Agreement, and in cases set forth by legislation rules, the Companies have the right to immediately and unilaterally terminate this Agreement. In this case, if the Client has some open positions at the moment of termination of the Agreement, the Company and Licensed Company has the right to close such positions at current market price. Company and Licensed Company shall recover the funds remaining on Client's account to Client or his/her duly authorized representative, but these funds shall not exceed net receipt of funds (the amount of all deposit with deduction of all withdrawals) on accounts of Client. Upon that, Company and Licensed Company shall debit remains of funds on Client's account and won't recover these funds further.

12.6. The Client agrees that the Companies has the right at its own discretion to suspend or deny fully or partially Client's access to the services with further notification of the Client about it. In this case effect of this Agreement shall be deemed suspended or it shall be deemed terminated from the moment of such suspending and/or cessation of service rendering for the Client.

12.7. The Companies have the right without Client's consent to transfer rights and obligations hereunder and under appendixes hereto fully or partially to a third party provided that such legal successor agrees with the terms and conditions of this Agreement and appendixes hereto. The Client shall be notified by the Appointed Independent Representative in writing about such transfer of rights and obligations not less than fifteen calendar days before such transfer.

12.8. In case of cessation by the Companies of performance regulated by this Agreement the Companies shall inform the Client about such cessation not later than one month before. All money on the trading account of the Client shall be returned to him/her after closing of all open positions.

12.9. In case of Client's death (an individual) the right to request money withdrawal from the trading account of the Client shall transfer to the successors of corresponding priority or heir by will. In this case the right to use trading account of the Client and the right to perform trading transactions in exchange markets is not inherited.

12.10. Cessation of the present Agreement does not cancel obligations of the Parties before each other that occurred earlier out of this Agreement including any obligations regarding open positions, transactions for withdrawal/crediting of money to the trading account of the Client.

12.11. In the event that any provisions of this Agreement shall be determined null and void by a court of competent jurisdiction, this provision is to be regarded as an independent part of this Agreement, and will not affect legal effect of other parts of this Agreement.
